

Listing Your Club, Association or Soccer Football Link

Listing your club, association or soccer football related site in our directory is free. There are two ways of listing of your clubs. The first way is to send us an email advising us of your link and a brief description of your club. The second, but quickest way is to Register to join our site and then you can submit your link using our web site's automated "submit link" feature. Registering also enables you to submit a free ad on our Football Jobs Forum.

To Register to join our site all you have to do is go to our "Login Form" on the left hand side of our home page and click the No Account Yet? Register link.

Once you have registered you will receive an activation e-mail with your log in details. Simply log in from our home page and click the "submit link" form, then enter in the details of your club, association or Australian soccer football link. As long as your site is related to Australian football it will be approved for listing.

Please be assured that your membership to this directory is totally FREE and there are no catches. Your details will NOT be sold or shared with any other organisation or used for marketing EVER. Because our system is totally automated the reason we ask you to Register as a free member is to filter out the non-legitimate submissions that we receive from Spammers.

Before you register please perform a Search of this site. It is possible your club or association may already be listed. If your club or association is not listed then proceed to Register.

To help our site grow all we ask is that in return for your free listing you add footballaustralia.info on your web site's link page.
